#### **DETAILED ACTION**

1. As per the instant Application having Application No. 10/597,589, the examiner acknowledges the applicant's submission of the preliminary amendment dated 7/31/2006. At this point, claims 1, 3-14 and 16-25 have been amended, and claims 2 and 15 have been canceled. Claims 1, 3-14 and 16-25 are pending.

#### **INFORMATION CONCERNING OATH/DECLARATION**

##### *Oath/Declaration*

2. The applicant's oath/declaration has been reviewed by the examiner and is found to conform to the requirements prescribed in **37 C.F.R. 1.63**.

#### **STATUS OF CLAIM FOR PRIORITY IN THE APPLICATION**

3. The instant Application having Application No. 10/597,589, filed 09/04/2008 is a national stage entry of PCT/JP2005/000886, International Filing Date: 01/25/2005 and claims foreign priority to JP 2004-020828, filed 01/29/2004.

4. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in JP 2004-020828 on 1/29/2004. It is noted, however, that applicant has not filed a certified copy of the foreign application as required by 35 U.S.C. 119(b).

#### **INFORMATION CONCERNING DRAWINGS**

##### *Drawings*

6. The applicant's drawings submitted are acceptable for examination purposes.

#### **ACKNOWLEDGEMENT OF REFERENCES CITED BY APPLICANT**

7. As required by **M.P.E.P. 609(C)**, the applicant's submissions of the Information Disclosure Statements dated 7/31/2006 is acknowledged by the examiner and the cited references have been considered in the examination of the claims now pending. As required by **M.P.E.P. 609 C(2)**, a copy of the PTOL-1449 initialed and dated by the examiner is attached to the instant office action.

#### **OBJECTIONS TO THE SPECIFICATION**

##### *Claim Objections*

8. Claims 4 are objected to because of the following informalities:
9. As per claim 4, this claim is objected to because it depends on canceled claim 2.
10. Appropriate correction is required.

#### **REJECTIONS NOT BASED ON PRIOR ART**

##### *Claim Rejections - 35 USC § 112*

11. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

12. Claims 1, 3 and 4-13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

13. As per claim 1, it is not clear to which of the recited list of values of a first item or list of values of a second item, the limitation "the value list" (line 14) refers to.

14. As per claim 10, the limitations "value list of the first item... value list of the second item... value list of the first item and the value list of the second item" (lines 20-22) lacks antecedent basis in the claims since the claim previously recites "each module retains a list of values of a plurality of items" and "value lists of combinations of plural unification items including a first item, or a second item... or a first item and a second item"; however, these previously recited lists do not define a value list of a first item, a value list of a second item.

15. As per claim 23, the limitations "value list of the first item... value list of the second item... " (step d) lacks antecedent basis in the claims since the claim previously recites "each module retains a list of values of a plurality of items" and "value lists of combinations of plural unification items including a first item, or a second item... or a first item and a second item"; however, these previously recited lists do not define a value list of a first item and a value list of a second item.

16. Dependent claims 3, 4-9, 11-13 and 24-25 are rejected for encompassing the deficiencies of rejected base claims upon which they depend.

## **CLOSING COMMENTS**

### **a. STATUS OF CLAIMS IN THE APPLICATION**

#### **a(1) CLAIMS REJECTED IN THE APPLICATION**

17. Per the instant office action, claims 1,3-13 and 16-25 have received a first action on the merits and are subject of a first action non-final.

**a(2) CLAIMS ALLOWED IN THE APPLICATION**

18. Per the instant office action, claims 14 and 16-21 are considered as allowable subject matter.

19. Claims 1, 3-13 and 23-25 would be allowable if the 35 USC 112 second paragraph rejections and objections above are overcome.

The reasons for which claims 1, 10, 14 and 23 are considered to contain allowable subject matter is that the prior art of record, neither anticipates, nor renders obvious the recited combinations as a whole.

Dependent claims 3-9, 11-13, 16-21 and 24-25 would be allowable by virtual of their dependence on claims that are considered to contain allowable subject matter.
